Greetings to our valued friends and art collectors!

With a fun Winter of snow, good food and ART behind us, we are truly looking forward to sunny Summer days, good food and more ART! With so much to do here in the mountains of Colorado we know you will enjoy your next visit just as much as your last one. We have some marvelous artworks to show you and with artists painting occasionally in the Gallery and lots of activity in the beautiful open spaces around us we know you will enjoy your Summer visit. Each of our artists are preparing new compositions, colorful mountain scenes and fabulous still life pieces. We will have them ready to tempt you with by the middle of June with more artworks scheduled for delivery each month of the Summer. Please come join us. Our marvelous crew of Paul, Jane and Shawna will be there to give you the grand tour and introduce each artist and their unique personality and style to you. And they make a really good cup of tea or coffee! I am very proud of their good nature and their knowledge and understanding of the art world. Please come see us, I will be in the Gallery as well and would like to meet each of you personally if possible.

Sincerely,
James G. Tylich, Owner
