VISIT US AT OUR NEW LOCATION IN THE EDWARDS COMMERCIAL PARK

Gallery owner James Tylich recently relocated his vast art collection from the Vail Village to nearby Edwards, Colorado. Unbeknownst to the general public, Mr. Tylich spent years acquiring hundreds of gorgeous and collectible original oil paintings from Europe and Russia, many still in wooden crates.

Mr. Tylich is now unveiling his entire collection, directly from his large storerooms. Our new and unique location features a beautiful fine art showroom onsite. **We ship around the world, and enjoy making home deliveries within the Colorado area.**

Paintings from Left to Right:
Bradley Chance Hays "Reflections Of The Day" Watercolor 30.5" x 22.5"
